In re Application of	:	
Pun et al.	:	DECISION ACCORDING STATUS
Application No. 09/888,222	:	UNDER 37 CFR 1.47(a)
Filed: June 22, 2001	:	
Attorney Docket No. P-2177	:	

This is in response to the petition under 37 CFR 1.47(a), filed February 26, 2002 (certificate of mailing dated February 7, 2002). Applicants obtained a four-month extension of time to respond. Accordingly, the petition is filed timely. The petition was recently forwarded to the Office of Petitions for a decision on the merits. The Office sincerely apologizes for any inconvenience to applicants.

The petition is granted.

Petitioner has shown that Wallace Ritchie, the non-signing inventor, has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the statement of facts of James D. Ivey and the letter sent to Mr. Ritchie from Mr. Ivey establish that the inventor was mailed the application papers, including the specification, claims and drawings, but failed to respond to the request that he sign the declaration.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the present petition. Notice of the filing of this application will also be published in the Official Gazette.

The matter is being referred to Technology Center Art Unit 2654 for examination in due course.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3211.
